INTRODUCTION

PERSONAL SERVICES CONTRACT SYSTEM (PSCS)

The current version of the Personal Services Contract System (PSCS) utilizes the Bureau of Engineering's Intranet SQL Server and supplements the earlier MS Access 97 version. This system, now being used only by the Bureau of Engineering and the Bureau of Sanitation, will soon be implemented throughout the Department of Public Works.

The need for a system with the capabilities of PSCS was identified by the Department's Task Force on MBE/WBE Issues, which led to the development of PSCS within the Project Awards and Control (PAC) Division of the Bureau of Engineering. PSCS provides project managers with a multi-faceted tool to monitor and manage their personal services contracts. Among other things, it allows each project manager to insure that by the completion of a contract, utilization of MBE/WBE/DBE's will comply with contractual commitments.

The PSCS is also capable of providing information in a number of formats, such as the "Twenty Largest Consultants", or the "Twenty Largest MBE Subconsultants". Various "Exception Reports" can also be produced through PSCS. The latest PSCS Quarterly report can be viewed on the Intranet by visiting the Bureau of Sanitation's website at http://san.ci.la.ca.us/pscs/psc_report.pdf

Because the PSCS data can be downloaded from the intranet SQL Server by PAC Division personnel, far more comprehensive reports relevant to the Project Manager's needs can be provided.

PLEDGES**

This section displays all contracts and consultants that are severely not complying with the cumulative Task MBE/WBE/SBE/EBE/DVBE or DBE participation goals. New contract tasks are given a greater leniency for the first 10 percent of their invoiced amount against their NTP amount. Tasks whose invoiced amounts are greater than 10% of their NTP amount will be measured by the difference between the percent sub-invoiced amount and their corresponding percent pledged per subconsultant business categories. Any differences less than -0.5% will be flagged significant negative deviations and will require the Prime consultant to explain why the subconsultant pledged goals are not met.

GLOSSARY

Personal Services Contract System
GLOSSARY

Report Date: 09/30/2024
LA Sanitation and Environment

OF CONTRACTS:

Sum of the number of contracts for a particular consultant or subconsultant.

% ACTUAL:

MBE, WBE, and DBE percentage of contract that has been invoiced to date.
= (Actual Utilization Invoiced To Date / Total Invoiced Amount To Date) x 100

% DEVIATION:

Difference between the % Actual and the % Planned. If the % Actual is less than the % Planned the deviation will be a negative value.

% INVOICED TO REVISED CONTRACT CEILING:

Percentage of the Revised Contract Ceiling that has already been invoiced.
= (Invoiced To Date / Revised Contract Ceiling) x 100

% PLANNED:

Percentage of contract that is planned to be completed by MBE, WBE, and DBE based on the contractual participation goals or the utilization plan.
= (Cumulative Planned Utilization Payment To Date / Cumulative Total Planned Utilization To Date) x 100.

ACTUAL TO DATE:

The cumulative utilization amount invoiced to date grouped by their respected Business Enterprises (MBE, WBE, DBE or OBE).

AMENDMENTS:

During the course of a contract, it can be changed in many ways. Those changes, authorized by the BPW which affect time, money, and/or the scope of service should be identified as an amendment to the contract. The execution date of the amendment should also be included.

BOTH:

The consultant is both Minority and Women Business Enterprise.

COMMENTS ON DBE:

Specific comments regarding stipulations or conditions affecting the DBE participation of the contract.

COMMENTS ON MBE:

Specific comments regarding stipulations or conditions affecting the MBE participation of the contract.

COMMENTS ON WBE:

Specific comments regarding stipulations or conditions affecting the WBE participation of the contract.

COMPLIANCE DEVIATION:

Difference between the % Actual and the % Planned. If the % Actual is less than the % Planned the deviation will be a negative value. The threshold for requiring an explanation in the Comments section for a negative deviation is <-0.5%.

CONSULTANT:

The full business name of the prime consultant awarded the contract by the Board of Public Works.

CONTRACT CEILING:

The dollar amount authorized for the contract. The ceiling includes costs for services, equipment, profit, subconsultant work, and subconsultant's profit.

CONTRACT NUMBER:

The five or six digit number (usually starting with a C) assigned by the City Clerk's Office.

Personal Services Contract System
GLOSSARY

Report Date: 09/30/2024
LA Sanitation and Environment

CONTRACT TITLE:

The title of the contract as identified in the executed contract. There are a maximum of 100 characters available for input.

CONTRACTUAL PLEDGE PARTICIPATION :

MBE, WBE, and DBE participation percentages for the executed contract. The contractual participation should be entered as percentage (i.e.. MBE: 18%, WBE: 4%, DBE: 20%). The dollar contractual participation will be automatically calculated as a portion of the Revised Contract Ceiling.

DBE:

Disadvantaged Business Enterprise. The City will follow the federally funded program requirements for DBE. The certification is verified in compliance with 49CFR, Part 26.

DIVISION:

The division within the Bureau responsible for the contract. information.

DVBE

Disabled Veteran Business Enterprise

EBE

Emerging Business Enterprise

ETHNICITY:

The ethnic code of the primary owner of the consultant or subconsultant business, using the following codes:

AA	African American	HA	Hispanic American
APA	Asian Pacific American	NA	Native American
C	Caucasian	SAA	Subcontinent Asian American

EXECUTION DATE:

The date the Mayor or the Board of Public Works, if authorized to do so, executes the contract. The contract is executed when the President or two members of the Board of Public Works sign the contract.

EXPENDITURE PLAN

The expenditure plan is the planned monthly distribution of expenditures budgeted for the duration of the contract and must be submitted by the Prime Consultant. If the expenditure plan has not been established, then a default calculation (Revised Contract Ceiling divided by the duration of the contract in months) is used.

EXPIRATION DATE:

The date when the contract will expire.

INVOICED TO DATE:

The cumulative amount processed to date for payment to the consultant.

MBE/WBE/DBE/OBE:

Identification of the Prime Consultant or Subconsultant(s) as an MBE, WBE, DBE, or OBE for a particular contract.

MBE:

Minority Business Enterprise.

NON-ACTIVE CONTRACTS:

Contracts that have no historical invoices to date. Status Report for these contracts are not printed. These contracts become "Active" as soon as the first invoice is entered.

Personal Services Contract System
GLOSSARY

Report Date: 09/30/2024
LA Sanitation and Environment

OBE:

Other Business Enterprise.

PLANNED TO DATE:

The cumulative amount of the Expenditure Plan from the date of execution to the latest invoiced date.

PLEDGES

Percent of Minority, Women, Disadvantage and Other Business Enterprises provided by the Prime consultant as described in the Board Report authorizing the work to be performed.

PROGRAM:

The program within the BOE responsible for the contract. (Example: Municipal Facilities Program, Stormwater Program, Wastewater Program, etc.).

REPORT DATE:

Date that the report is printed.

REVISED CONTRACT CEILING (RCC):

The sum of the Contract Ceiling plus any approved dollar amendments that have been added to the contract. In the case of a contract with no contractual ceiling, the sum of the Task Amounts will be used as the Revised Contract Ceiling.

RFP OR RFQ:

Request for Proposal (RFP) or Request for Qualifications (RFQ). These are types of solicitations for services on personal services contracts with the City.

RFP/RFQ DATE:

The date the solicitation is sent out.

SBE

Small Business Enterprise

SIGNIFICANT DEVIATION:

When the compliance deviation is less than -0.5%. This requires the Prime Consultant to explain why the Subconsultants pledged goals are not met.

TASKS:

When the main contract does not specify a project for the scope of services, a Task Order is assigned to a specific contract for each specific individual project. This task order will specify the scope of services and associated fees. A new task order can be issued when there is a change in the scope of services and fees for the same project. A contract can also be assigned multiple task orders, each being for a different project.

TOTAL AMOUNT OF CONTRACTS:

The sum of the Revised Contract Ceilings for a particular consultant or subconsultant.

WBE:

Women Business Enterprise.
