**SUBJECT: AFTER THE FACT MEMO: 2025 WATEREUSE ASSOCIATION
MEMBERSHIP FEE AE25760099M**

LA Sanitation and Environment (LASAN) requests approval of request to encumber \$20,744.52 to pay WaterReuse Association (WaterReuse) annual membership dues for the period of January 1, 2025 to December 31, 2025. There is no impact to the General Fund. The payment of this annual membership fee was necessarily delay due to the need to verify available funding. The encumbrance request was submitted following the identification and approval of funding sufficient for payment.

WaterReuse is a nonprofit organization whose mission is to advance the beneficial and efficient uses of high-quality, locally produced sustainable water sources for the betterment of society and the environment through advocacy, education and outreach, research, and membership. In addition, WaterReuse is a trade association and is recognized as a tax-exempt organization under Section 501(c)(6) of the Internal Revenue Code. As such, WaterReuse is allowed to engage in advocacy (i.e. lobbying) at both the national and state levels of government. It lobbies for funding support for reuse research and local water reuse. WaterReuse also works to secure grant and loan funding for local reuse projects, obtain research funding, and remove barriers to reuse.

Please contact Hubertus Cox, Division Manager at (310) 648-5001 or Arnold Taylor, Sr. Management Analyst at (310) 648-5426 for additional information, if needed.
