DISCUSSION

Background

The Street Maintenance Technology Program is a long-standing college-accredited training program between StreetsLA and the LACCD that has been in existence since the 1990s. It provides a path for StreetsLA employees and others to earn a Certificate of Achievement and/or an Associate of Arts degree in Street Maintenance Technology. The program is designed to provide practical skills and training for those interested in a career in public works maintenance operations. Through classroom and hands-on training, students gain knowledge and skills in the maintenance of various types of street construction, as well as supervisory skills needed to promote into managerial positions. Classes are offered year-round, consisting of the Fall, Winter, Spring, and Summer sessions. The program offers 19 courses as follows:

Core Classes	Level 1 Classes	Level 2 Classes
1. Applied Calculations in Public Works	1. Fundamentals I	1. Introduction to Management in Public Works
2. Overview of Careers in Public Works	2. Fundamentals II	2. Project Management in Public Works
3. Report Writing for Public Works	3. Advanced Calculations	3. Management in Public Works
4. Hazardous Materials for First Responders	4. Issues and Practices in Public Works	4. Leadership Training for Managers
5. Supervision in Public Works	5. Heavy Equipment Safety and Maintenance	5. Strategic Planning in Public Works
	6. Driver's License Preparation – Class B	6. Plan Interpretation and Cost Estimating
	7. Motor Sweeper Operator	7. Public Works Inspection

Course schedules and enrollment are administered by StreetsLA. Courses offered are those that have the highest demand, and enrollment can be prioritized to existing StreetsLA employees.

On August 05, 2022, the Board authorized the award and execution of a three-year contract (Transmittal No. 1), covering July 1, 2022 through June 30, 2025, with LACCD to provide educational services for StreetsLA's Street Maintenance Technology Program. The resultant contract, Contract No. C-141674, was fully executed by all parties on October 26, 2022 (Transmittal No. 2).

High employee turnover and an influx of new hires and promotions in recent years has increased the demand for these courses because these courses are critical for providing employees with the necessary knowledge and skills to perform their jobs safely and supervise crews. Consequently, in the Fall of 2023, StreetsLA initiated a cohort of mandatory day classes for managerial staff who work in StreetsLA's Street Maintenance, Construction Services, and Street Renewal Divisions. The cohort is a subset of the 19 courses listed in the previous page except that employees are required to attend those classes during work hours. StreetsLA's goal is to cycle as many employees as possible through the cohort of courses that are offered each Fall and Spring semester.

Amendment

Considering the Bureau's FY 2024-25 budget reduction of approximately \$21 million and deletion of 257 existing positions while adding 34 new positions, the retirement of 130 employees in 2021 through the Separation Incentive Program (SIP), and a current 12% vacancy rate, this training program is more critical than ever to prepare future generations of StreetsLA leaders. This training program continues to be an essential and valuable tool to develop its workforce, as well as provide the necessary training to enhance employees' skills, build leadership skills, and fulfill our succession goals.

To ensure that StreetsLA obtains a large pool of trained employees, StreetsLA markets the program to the entire StreetsLA workforce. The program classes are free to StreetsLA employees, but are also available to other City employees and the public for a small tuition fee of \$138.00 per class.

StreetsLA has negotiated with LACCD to extend the term of the contract and to maintain the existing contract terms and conditions without seeking a rate increase for this amendment. The contract ceiling of \$525,000 shall increase by \$675,000 for a total of \$1,200,000 for the entire eight-year term.

Justification

The Street Maintenance Technology Program helps StreetsLA develop, retain, and promote its future leaders. Continuing the contract with LACCD will allow StreetsLA to maintain its established curriculum without migrating learning management systems, as more than half of the online courses are currently conducted through LACCD's Canvas platform.

Though the pandemic years were met with challenges, City employees continue to participate in this program to enhance their skills and boost their chances for promotion. Within the last six years, from academic year 2019-2020 to 2024-2025, a yearly average

of 227 students enrolled in the Street Maintenance Technology Program. The table below displays the Program statistics for the last 6 academic years.

Number of Classes and Students Enrolled by Academic Year

Academic Year	Number of Classes	Number of Students Enrolled
2019-2020	12	203
2020-2021	11	296
2021-2022	12	247
2022-2023	11	232
2023-2024	13	206
2024-2025	12	180
Total	71	1364

LACCD has complied with all federal, state, and local regulatory and contractual requirements as specified in their agreement with the City and continues to be the best option to the City to provide educational services for StreetsLA's Street Maintenance Technology Program. Therefore, in consideration of their past performance and the City's desire to have the best partner to train employees, it is recommended that the personal services contract with the LACCD for educational services be amended to extend the term for five years to June 30, 2030 (Transmittal No. 3).

Notification of Intent to Contract

The Notice of Intent to Contract for the existing contract was filed with the Office of the City Administrative Officer (CAO) Contract Clearinghouse on June 4, 2021 (Transmittal No. 4), while the Notice for this contract extension was filed on March 10, 2025 (Transmittal No. 5).

Business Inclusion Program (BIP)

On January 12, 2011, the Mayor issued Executive Directive No. 14 which created the BIP. The program provides Minority Business Enterprise (MBE), Women Business Enterprise (WBE), Small Business Enterprise (SBE), Emerging Business Enterprise (EBE), Disabled Veteran Business Enterprise (DVBE), and Other Business Enterprise (OBE) firms an equal opportunity to compete for, and participate in, City contracts.

On May 21, 2021, the Mayor's Office of Budget and Innovation granted a waiver of the Business Inclusion Program (BIP) Outreach requirements because there are no subcontracting opportunities available for this contract (Transmittal No. 6).

LOCAL BUSINESS PREFERENCE (LBP) PROGRAM

Los Angeles Administrative Code Division 10, Chapter 1, Article 4, Section 10.25 adopted the Local Business Preference (LBP) Program which was designed to increase local employment and expenditures in the local private sector. At the time these contracts were awarded, businesses that qualified as a Local Business Enterprise (LBE) may be granted an eight percent reduction of their Bid amount solely for Bid evaluation purposes. If the LBE is also a Local Small Business (LSB) and/or Local Transitional Employer (LTE), they may be granted an additional two percent reduction for each of those certifications, up to a total of twelve percent. Businesses that qualify as a LBE, but neither as a LSB and/or a LTE, may be granted a one percent reduction, up to a maximum of two percent for each of those certifications, for every ten percent of their bid that is to be performed by a LSB and/or a LTE subcontractor. Additionally, all non-LBE Businesses may be granted a one percent reduction, up to a maximum of five percent, of their Bid amount solely for Bid evaluation purposes, for every ten percent of their bid that is to be performed by a LBE, LSB, and/or a LTE subcontractor.

Since this was a sole-source contract, the LBP Program did not apply.

Compliance with the City's Non-Discrimination Policies

LACCD shall continue to comply with the Non-Discrimination, Equal Employment Practices, and Affirmative Action Program Provisions, Equal Benefits Ordinance, City Contractors' Use of Criminal History for Consideration of Employment Applications Ordinance, Living Wage Ordinance, Worker Retention Ordinance, First Source Hiring Ordinance, Slavery Disclosure Ordinance, and Disclosure of Border Wall Contracting Ordinance requirements.

Contractor Performance Evaluation

In accordance with Article 13, Chapter 1, Division 10 of the City of Los Angeles Administrative Code, the appropriate City personnel responsible for quality control of this personal services contract shall submit Contractor Performance Evaluation Reports to the Bureau of Contract Administration upon completion of this contract.

Contractor Responsibility Ordinance

LACCD is subject to compliance with the requirements specified in the City of Los Angeles Contractor Responsibility Ordinance No. 173677 (Division 10, Chapter 1, Article 14 of the LAAC). Failure to comply with all requirements specified in the ordinance may render the contractor's contract subject to termination pursuant to the conditions expressed therein.

Maintenance Technology. The program is designed for those interested in a career in public works maintenance operations. A specific series of courses was established and approved by **LATTC**. The program is specialized to the needs of StreetsLA. Through classroom and hands-on training, students gain knowledge and skills in the installation and maintenance of various types of street construction, as well as, supervisory skills needed to promote into management. LATTC is also conveniently located within minutes of the Public Works Building. Approximately 90% of the students enrolled in the program are StreetsLA employees.

LATTC will provide all services associated with a college-accredited educational institution, including recruitment, class catalog development, registration, class instruction, classroom space, and other liaison duties between the school, students, instructors, and StreetsLA. **LATTC** will register students, issue Student ID Numbers, and provide students with access to student services including, Admissions and Records, Counseling, and the library.

SOLE SOURCE JUSTIFICATION

The Street Maintenance Technology Program is a long-standing college-accredited training program between StreetsLA and **LATTC** that has been in existence for over thirty years. This educational program must be provided through an accredited educational institution, such as **LATTC**, that offers the curriculum of classes StreetsLA desires while offering college credit to incentivize employees to complete the program. **LATTC** currently offers 19 courses through the program as follows:

Core Classes	Level 1 Classes	Level 2 Classes
1. Applied Calculations in Public Works	1. Fundamentals I	1. Introduction to Management in Public Works
2. Overview of Careers in Public Works	2. Fundamentals II	2. Project Management in Public Works
3. Report Writing for Public Works	3. Advanced Calculations	3. Management in Public Works

The above curriculum of courses offered by **LATTC** helps further StreetsLA's commitment to provide effective and practical training for its employees, including those desiring promotion into management. The program enables StreetsLA employees to hone their field operations knowledge, as well as benefit those employees aspiring to achieve supervisor and superintendent levels. After 130 employees retired last fiscal year through the Separation Incentive Program and a current 26% vacancy rate, this training program is more critical than ever to train the next generation of StreetsLA leaders. StreetsLA has a continuing need for this essential and valuable ongoing training tool to develop its primarily blue-collar workforce. Contracting with **LATTC** to continue offering the Street Maintenance Technology Program to StreetsLA employees provides the necessary training to enhance employees' skillsets and promotability into higher level positions, build leadership skills, and help with succession planning.

PROPOSED TERM OF AGREEMENT AND CONTRACT CEILING

The term of the proposed contract will be for three (3) years, commencing on July 1, 2022 through June 30, 2025, unless terminated earlier by the City (Transmittal No. 1). The City will pay **LATTC** for each class offered based on the instructional hours of each class during any given semester/session of the academic school year. Most classes consists of 60 instructional hours, and the fee for each instructional hour is \$150. The contract ceiling will be \$525,000 over the three-year term.

CONTRACTOR'S PREVIOUS WORK RECORD

LATTC has not been awarded any contracts by the Department of Public Works within the last five years, but has provided similar services to StreetsLA for each of the last five years through annual Authority for Expenditures (AFEs). **LATTC** has no record of any violations while performing these services for the City.

COMPLIANCE WITH THE CITY'S NON-DISCRIMINATION POLICIES

LATTC shall comply with the Non-Discrimination, Equal Employment Practices, and Affirmative Action Program Provisions, Equal Benefits Ordinance, City Contractors' Use of Criminal History for Consideration of Employment Applications Ordinance, Living Wage Ordinance, Worker Retention Ordinance, First Source Hiring Ordinance, Slavery Disclosure Ordinance, and Disclosure of Border Wall Contracting Ordinance requirements.

Failure to comply with all requirements specified in the Ordinance will render the bidder's/proposer's contract subject to termination pursuant to the conditions expressed therein.

CONTRACTOR PERFORMANCE EVALUATION

The quality of the work performed by the contractor will be monitored in accordance with the Contractor Performance Evaluation Ordinance No. 173018 [Division 10, Chapter 1, Article 13 of the LAAC] and the Rules for the Evaluation of Service Contractors which require departments to prepare performance evaluations upon completion of all service contracts over \$25,000 and at least three months in duration. BUSINESS INCLUSION PROGRAM (BIP)

On January 12, 2011, the Mayor issued Executive Directive No. 14 which created the BIP. This program provides Minority Business Enterprise (MBE), Woman Business Enterprise (WBE), Small Business Enterprise (SBE), Emerging Business Enterprise (EBE), Disabled Veteran Business Enterprise (DVBE), and Other Business Enterprise (OBE) firms an equal opportunity to compete for, and participate in, City contracts.

On May 21, 2021, the Mayor's Office of Budget and Innovation granted a waiver of the Business Inclusion Program (BIP) outreach requirements because there are no subcontracting opportunities available for this contract (Transmittal No. 4). Therefore, it is recommended that the Board approve the waiver of the BIP Outreach requirements for this contract.

LOCAL BUSINESS PREFERENCE (LBP) PROGRAM

Los Angeles Administrative Code Division 10, Chapter 1, Article 4, Section 10.25 adopted the Local Business Preference (LBP) Program which was designed to increase local employment and expenditures in the local private sector. Businesses that qualify as a Local Business Enterprise (LBE) may be granted an eight percent reduction of their Bid amount solely for Bid evaluation purposes. If the LBE is also a Local Small Business (LSB) and/or Local Transitional Employer (LTE), they may be granted an additional two percent reduction for each of those certifications, up to a total of twelve percent. Businesses that qualify as a LBE, but neither as a LSB and/or a LTE, may be granted a one percent reduction, up to a maximum of two percent for each of those certifications, for every ten percent of their bid that is to be performed by a LSB and/or a LTE subcontractor. Additionally, all non-LBE Businesses may be granted a one percent reduction, up to a maximum of five percent, of their Bid amount solely for Bid evaluation purposes, for every ten percent of their bid that is to be performed by a LBE, LSB, and/or a LTE subcontractor.

Since StreetsLA is requesting a sole-source contract, the LBP Program does not apply.

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.

 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

Form Gen. 133 (Rev. 10/17)

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

**FIRST AMENDMENT TO PERSONAL SERVICES CONTRACT NO. C-141674
BETWEEN THE CITY OF LOS ANGELES
AND
LOS ANGELES COMMUNITY COLLEGE DISTRICT
ON BEHALF OF LOS ANGELES TRADE-TECHNICAL COLLEGE**

THIS FIRST AMENDMENT modifies the Personal Services Contract (Contract No. C-141674, "Contract"), entered into by and between the City of Los Angeles, a municipal corporation (hereinafter referred to as "CITY"), acting by and through the Department of Public Works, Bureau of Street Services (hereinafter referred to as "StreetsLA") and the Los Angeles Community College District on behalf of Los Angeles Trade-Technical College (hereinafter referred to as "CONTRACTOR"), with reference to the following:

RECITALS

WHEREAS, the CITY has a continuing need for college-accredited educational services for StreetsLA's Street Maintenance Technology Program, which has been in existence since the 1990s through a partnership with CONTRACTOR; and

WHEREAS, the program must be provided through an accredited educational institution that offers the curriculum of courses StreetsLA desires, while offering college credit to incentivize employees to complete the program; and

WHEREAS, the CONTRACTOR is a community college that provides a path for StreetsLA employees and others to earn a Certificate of Achievement or an Associate of Arts Degree in Street Maintenance Technology. The program is designed for those interested in a career in public works maintenance operations. Through classroom and hands-on training, students gain knowledge and skills in the installation and maintenance of various types of street construction, as well as supervisory skills needed to promote into management; and

WHEREAS, the Street Maintenance Technology Program is an essential and valuable ongoing training tool to develop StreetsLA's primarily blue-collar workforce; and

WHEREAS, the CITY and CONTRACTOR executed the Contract to implement the educational services from July 1, 2022 through June 30, 2025; and

WHEREAS, the CITY has a continuing need for college-accredited educational services, does not have personnel with the expertise to provide such services, and is not an accredited educational institution; and

WHEREAS, the CONTRACTOR is a fully accredited community college and meets all the Federal, State, and Local requirements to perform the criteria and requirements under the Contract; and

WHEREAS, the CITY and the CONTRACTOR have negotiated this First Amendment in good faith to extend the term of the Contract for an additional five years through June 30, 2030; and

WHEREAS, the First Amendment and Contract, together, shall be referred to as the "Agreement" between the CITY and the CONTRACTOR; and

WHEREAS, to the extent the First Amendment does not amend, add, or delete Sections of the Contract, then the terms of the Contract remain unchanged and continue to be as part of the Agreement between the CITY and the CONTRACTOR; and

WHEREAS, Division 10, Chapter 1, Section 10.5(a)1 of the Los Angeles Administrative Code states that contracts over three years require Council approval, except contracts entered into with the United States government or other governmental agencies.

NOW THEREFORE, in consideration of the foregoing and of the benefits which will accrue to the parties hereto in carrying out the terms and conditions of this Agreement, the parties hereby agree as follows effective July 1, 2025:

Section 2.1. Term of Agreement is hereby amended by deleting it in its entirety and replacing it with the following:

2.1. Term of Agreement

The term of this Agreement will commence on July 1, 2022 for a period of eight (8) years through June 30, 2030, unless terminated earlier by the CITY.

The CITY may terminate this Agreement, or any part thereof, for its convenience without penalty, upon providing the CONTRACTOR no less than 30 days written notice prior to the effective date of termination. The CITY has the right to cancel the Agreement for cause at any time with written notice of termination. The CITY will pay for that portion of orders fulfilled or work performed through the termination date.

The CITY'S obligation to pay any amount due hereunder for any of the CITY'S fiscal year(s) after the current fiscal year is contingent upon appropriation of funds for the purpose thereof. The CITY'S fiscal year ends on June 30 of each calendar year. Accordingly, anything to the contrary notwithstanding, the CITY may terminate any contract and its future monetary obligations hereunder, effective as of the end of any fiscal year.

Section 5.1. Compensation and Schedule of Work and Prices, is hereby amended by deleting it in its entirety and replacing it with the following:

5.1. Compensation and Schedule of Work and Prices

The CITY will pay the CONTRACTOR for satisfactory services provided under this Agreement, in accordance with the fee schedule shown below, and shall not exceed \$1,200,000 for the eight-year term of this Agreement.

The CITY shall pay CONTRACTOR for each class offered during any given semester/session of the academic school year and shall be based on the instructional hours of each class, not the length of the semester/session that the class is offered. Each class consists of 60 instructional hours, except for ST MAIN 209 which is 80 hours, and ST MAIN 210 which is 120 hours. The fee for each instructional hour is \$150. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services

suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY'S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

CONTRACTUAL REQUIREMENTS

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.
- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract.
