

MOTION

On April 3, 2024, the Board of Public Works (Board) approved the execution of the Construction Order for the **Avon Park Terrace (1431-1461) Bulkhead Project** (Project **(Work Order No. E1908944)**) with Mladen Buntich Construction Company, Inc. in the amount of \$1,070,710, with a not-to-exceed limit of \$1,284,852, including contingency. The board report approved on April 3, 2024, indicated funding for the Project in the amount of \$795,146.38 was available in the SB1 Road Maintenance and Rehabilitation Fund, Fund No. 59V, Department No. 50, Appropriation Unit No. 50WVHV, and that additional funding in the amount of \$489,705.62 was to be transferred into the existing Project account once the City Council approved the Fiscal Year 2023-24 Fourth Construction Projects Report (CPR).

After approval of the Fiscal Year 2023-24 Fourth CPR, a separate appropriation unit no. was established for the additional funding. Thus, the Project funding information needs to be updated, as shown in the following table:

Fund No.	Appropriation Unit No.	Budget Fiscal Year	Contract	Contingencies	Total
59V	50WVHV	2023	\$ 795,146.38	\$ 0.00	\$ 795,146.38
59V	50YZBS	2024	\$ 275,563.62	\$214,142.00	\$ 489,705.62
Total			\$1,070,710.00	\$214,142.00	\$1,284,852.00

I THEREFORE MOVE that the Board authorize the change to the funding sources for the Project, as shown in the table above.
