**SUBJECT: BUREAU OF STREET SERVICES (STREETSLA) MAJOR STREET PROJECT UPDATE - SCHEDULED AT BOARD NOVEMBER 8, 2024**

This information is being provided to keep the public informed on the upcoming Resurfacing Projects and to minimize the impact on the community as well as delays to the commuters. StreetsLA would like to provide you with an update on all major upcoming street improvement projects.

There are no Major Street projects scheduled in the Metro or Valley Resurfacing Regions during the week of November 10, 2024 through November 16, 2024.

However, we will provide an update on our 24-25 Pavement Preservation Program.

The press releases were broadcasted, and notifications have been issued. StreetsLA has coordinated with the Council District Offices to assist with the outreach to stakeholders and we have coordinated with the Los Angeles Department of Transportation for traffic control assistance. This information is also available on the StreetsLA Website (<https://streetsla.lacity.org/>).
