September 25, 2024

Dear Ms. Torres:

SIDEWALK REPAIR PROGRAM PACKAGE NO. 59**W.O. E1909076**

Your written request received September 25, 2024, to substitute **Horizons Construction Company International, Inc. (Horizons)**, your OBE subcontractor for civil work on the above referenced project (located in Council Districts 3, 5, 7, 10, 12, and 14), with **Axiom Group's (Axiom)** own forces is hereby approved. This approval acknowledges the active status of **Axiom's** California State Contractor's License and City of Los Angeles Business Tax Registration Certificate and does not supersede any other section of the Specifications or federal requirements. Included with your request was a letter from **Horizons** withdrawing from this portion of work.

The Bureau of Contract Administration has verified that you have complied with the GFE requirements for this substitution.

The bid-listed amount for **Horizons's** portion of civil and concrete work was \$365,000.00. **Axiom** will complete **Horizons's** portion of work for this amount. This substitution will be at no additional cost to the City.

If you have any questions please contact Arturo Gomez at (213) 847-2409.

Sincerely,

MICHAEL R. DAVIS, Commissioner
Board of Public Works
