**SUBJECT: BUREAU OF STREET SERVICES (STREETSLA) MAJOR STREET PROJECT UPDATE - SCHEDULED AT BOARD OCTOBER 13, 2023**

This information is being provided to keep the public informed on the upcoming Resurfacing Projects and to minimize the impact on the community as well as delays to the commuters. StreetsLA would like to provide you with an update on all major upcoming street improvement projects.

There are no Major Street projects scheduled in the Metro or Valley regions during the week of October 15, 2023 through October 21, 2023.

However, we will provide an update on our 23-24 Pavement Preservation Program.

The press releases were broadcasted, and notifications have been issued. StreetsLA has coordinated with the Council District Offices to assist with the outreach to stakeholders and we have coordinated with the Los Angeles Department of Transportation for traffic control assistance. This information is also available on the StreetsLA Website (<https://streetsla.lacity.org/>).

For additional information or concerns, you can contact Sherarade Nichols at (213) 847-3200.
